Local and Touring Musicians! We always welcome you into our studios to join our amazing hosts, our signature projects like CFRC Live Sessions and Airwave YGK Musician Residencies, or to rehearse and/or record music! Have a look below to get an idea of what equipment CFRC has in our live broadcast and recording studios.

Are you coming in to the station for rehearsal, recording, or a live broadcast? Please do reach out to Chancelor Maracle at techmanager@cfrc.ca to further discuss your act's technical needs including what instruments you will use, vocal requirements, and what instruments and equipment you will be loading in/out during your visit!
